### A Great Party

Last weekend I went to a fancy dress party at my best friend's house. Her name is Betty. It was for Halloween on 31<sup>st</sup> October and everyone had to dress up in a scary costume. Some of my friends buy their costumes, but a lot of us like to make them ourselves. One friend, Peter, came dressed as a skeleton! He was wearing a tight black top and trousers and his mum painted a skeleton on him in white paint. You could see all the bones! It was really good. His mum is a doctor so she knew exactly where all the bones had to be!

I dressed up as a bad witch and I didn't need any help with my costume. I painted my face and hands green and I had a black hat that I made from paper and black cloth. I was wearing a black dress and a big black cape and heavy boots. I think I looked quite frightening!

They switched off all the lights and only had tiny green and red lights inside and it was scary. Betty's mum and her friends made lots of delicious things for us to eat and all the grown ups stayed in the kitchen. We played party games and danced all night. It was tiring, but we had a great time and we all went home feeling very happy.
