THE SUMMER PUZZLE

Four friends – Liam, Mia, Noah, and Emma – each had a unique summer experience.

Can you match the names with the pictures and their summer adventures descriptions. You can write the letters E, L, M, N

Emma: Never forgets her camera, always taking photos of special moments.

Mia: Has a good sense of colours and often sketches in her notebook.

Liam: Loves computers and often gets lost in his laptop for hours.

Noah: Is always full of energy and sometimes has dance parties.

My summer was amazing. I dived into the digital world. I created a mobile game and now many people can have fun playing it. I also spent a lot of time playing different computer games with my brother.

My summer was full of art. I discovered a cozy corner art shop. I bought a lot of paints and brushes and spent evenings creating an amazing work of art.

I explored a lot of new places this summer. I visited Spain with my family. Armed with a camera, I captured every sunny moment, from beach trips to cafe visits, sharing my journey online.

This summer I visited the best music festival ever. I listened to my favourite bands playing their best songs. That was unbelievable experience.
