UNIQUE EASTER TRADITIONS

Here are some of the Easter traditions from different countries.
Fill in the gaps with the vocabulary from the previous slide.

The _____ is a fun game for children to play at Easter time. They use a long spoon to push an egg through the grass. The White House also has special events with people dressed up as the Easter Bunny. The cabinet secretaries give speeches and read books. There are also cool displays of eggs that people have decorated in special ways.

In America, another Easter tradition is wearing a fancy hat called an Easter _____ to church. It shows that people are ready for new beginnings and renewal when paired with new Easter clothes.

In some parts of Europe, people celebrate Easter by lighting an Easter _____. It happens in places like Northwestern Europe, and it's a way to start a two-day celebration on Sunday. The fires were first started to help make the winter go away and welcome the spring. Now it's a fun way for people to come together and have a good time.

In New Zealand and some parts of Australia, people really like to eat _____ at Easter time. It's a special food that they enjoy, especially since Easter happens in their autumn season. This warm and tasty treat makes them feel cozy and happy during the colder weather.

In Bermuda, Easter is a special holiday that people celebrate all weekend. They start by flying homemade _____ on Good Friday. People go to Horseshoe Bay Beach to see the kites, which are usually colorful and have cool shapes.

In Australia, rabbits are not always liked because they can bring problems. So, people started a campaign in 1991 to replace the Easter bunny with an animal called the Easter _____. Now many companies make chocolate bilbies for Easter. The money they make from selling them helps protect these endangered animals.

LET'S DRAW AN EASTER SCENE!

Now it's time to draw on your head. Take a piece of paper and place it on top of your head (you can put a book under it). You will draw an Easter scene. Use the whole page for your picture (horizontal position). Remember not to peek! Either the teacher or the students can read the instructions (one at a time to have more fun). In the end you will be assigned some points!

Have fun!
