Christmas in the UK is the biggest holiday of the year. It is celebrated on the 25th of December. Family gatherings(1), turkey, presents and parties are just some of the things that come to mind when we think about Christmas time
Christmas can mean different things to different people.
For many people it means eating a lot, spending time with family and visiting relatives and friends. For children it often means presents, presents and more presents!

#### Father Christmas (Santa Claus)

Every year children tell Father Christmas, also known as Santa Claus, what gifts they would like to receive. They can write him a letter with a wish list(2) or they can visit him personally in one of the large malls across Britain in the weeks before Christmas. To send the letter children need to burn it! Father Christmas will see their wishes in the smoke(3). On the night of 24 December, Father Christmas travels through the sky on a sleigh(4) pulled by magic reindeer(5) and delivers presents to children across Britain. How does he enter the children's houses? Via the chimney(6), of course!

Turkey and crackers

ENG

HUB

Christmas dinner is usually eaten at midday or early afternoon. It usually includes roast turkey(7), vegetables and potatoes. There are also lots of alternatives to the turkey dinner for vegetarians who prefer a meat-free Christmas. For dessert, there's a rich, fruity cake called Christmas pudding(8).

Traditionally, a Christmas cracker(9) is placed next to each person. When you pull the cracker with the person next to you, you hear a loud 'bang!' and a paper hat, a joke and a small gift fall from the cracker. You have to wear the hat, tell the joke to the other people at the table and keep the gift. Carols

In the UK it's popular for groups of singers go from house to house collecting money for charity(11) and singing traditional Christmas songs - carols(10).

Stockings

British children hang stockings(12) at the end of their bed hoping they will be filled by Christmas morning. It might be difficult for 'Santa' to fill without waking the little ones.
