

# TINY SLANG SONG

American and British Slang

# LET'S TALK!

Do you use slang or idioms in your own language? Would a non-native speaker understand everything you are saying?

In your home country do some groups of people use slang more than others? (An age group? An economic group? A social group?)

How do you feel about slang and idioms? Do you enjoy learning them?

Who invents an idiom or a slang word? Who decides what it means? How long do people usually use slang?
