WHAT'S YOUR FAVOURITE TRADITION?

Read the short texts about Halloween activities and traditions. Have you ever done any of them?

Which one do you like the most?

It's my favourite holiday because it's fun. I like to wear a costume and **go trick-or-treating**. My friends and I walk around the neighbourhood and knock on doors. We say, "Trick or treat!" The people give us candy. At school, we have a Halloween party. We eat candy and play games. It's great!

Halloween is fun to get candy and wear costumes, but it can be scary sometimes. I prefer to stay at home on Halloween and watch some movies. I love **the Halloween movie marathon**. We gather with family and friends and watch a series of spooky or funny Halloween movies.

The best part is **bobbing for apples**. We play this game at our Halloween party. We put apples in a big bucket of water, and we try to catch them with our teeth without using our hands. It's hard but so funny! Halloween is a time for exciting adventures!

One of my favourite Halloween activities is **going to haunted houses**. It's really exciting! My friends and I go to a spooky place, and there are people dressed as ghosts and monsters who try to scare us. It's a bit scary, but it's all in good fun, and we laugh a lot!

WHAT'S YOUR FAVOURITE TRADITION?

Read the short texts about Halloween activities and traditions. Have you ever done any of them?

Which one do you like the most?

Halloween is my favourite holiday! I enjoy the **Halloween decorations** very much. We put up fake spiders, webs, and ghosts around our house. It looks spooky and exciting. This year I will add some mummies to my decorations too. Hope it will look cool!

Oh, we love **carving pumpkins**. It's the best part of Halloween! We pick a big, orange pumpkin and carefully carve a spooky face into it. When we put a candle inside, it glows brightly. It makes our home look super spooky and cool!

The thing I enjoy the most is the **Halloween costume parade**. All the people dress up in their creative costumes, and we march in a parade through the streets of our town. It's so much fun to see everyone's costumes. Some of the costumes are really amazing, and we all have a great time.

My friends and I organise a Halloween party every year. We have a tradition of playing a game called '**Mummy Wrap.**' We split into teams, and one person in each team becomes the 'mummy.' The rest of the team has to wrap the mummy in toilet paper as fast as they can, trying to make the best mummy costume.

LET'S READ

Extra task for additional practice, homework or revision.

Read the short texts about Halloween activities and traditions. Can you guess what word/phrase should be instead of the emoji 🎃?

Pumpkins with scary faces and candles inside are a sure sign of the Halloween season. In Ireland and Scotland, people began to make their own versions of 🎃 by carving scary faces into turnips and placing them into windows or near doors to frighten away Stingy Jack and other evil spirits. In England, large beets were used. Immigrants from these countries brought their vegetable-carving traditions with them when they came to the United States.

A 🎃 is a scary place, some people think that ghosts and spirits live there. People say that these ghosts may be the spirits of people who once lived in the house or had some connection to it. It's often an old, spooky building with creepy decorations like webs and strange sounds. On Halloween, many people decorate their houses to make them look like 🎃. To create a spooky atmosphere, they add ghosts, skeletons, and tombstones in the garden.

🎃 is a fun and popular Halloween tradition in many countries, where children and sometimes even adults dress up in costumes and go from house to house, knocking on doors to ask for candy and treats. For a long time, people have had a custom of dressing up and performing short plays at houses during holidays like Christmas or Easter. They do this to get some food or drinks in return. The idea of doing this moved to Halloween from an old Celtic festival called Samhain.

🎃 is a fun and traditional game often played during Halloween festivities. In 🎃, a large bucket or container is filled with water, and apples are placed in the water. Players, usually children, take turns trying to grab the apples with their teeth without using their hands. The challenge lies in catching the apples, which tend to float, using only your mouth. It's a simple game that adds to the Halloween spirit and can be enjoyed by people of all ages.
