Activity

X-ray Pictures

Cut out the shape of an animal from dark paper. Use white straws to make the animals bones.

Sheep

Use cotton wool and card to make some sheep.

Cut out the pieces from card. Paint the head and legs black. Stick pieces of cotton wool on the body, and a small piece on top of his head. Hang your sheep up, or make some more for a big picture.

th and th

Use two paper plates and make them into clowns faces by drawing on them or using sticky paper. Cut out a short tongue and a longer tongue from some pink paper and stick them on the clowns. Write th or th on the tongue. If you want you can make tongues that go in and out. Make a slit where the mouth is and make the tongue quite long. Slip the tongue through the slit, pull it in and out.

Pages 6-11.

The child is encouraged to write the digraphs *ch*, *sh*, and *th* in joined-up writing (cursive) as this will help in remembering the order in which the letters are written.

Pencil Hold.

Holds pencil correctly between thumb and first two fingers.

Page 13. Animal Anagrams.

This encourages listening for the order of sounds in words.

Pages 14, 15. Consonant Blends.

At first it is difficult to hear the individual sounds in these blends. Practice will help the recognition of them.

Pages 17, 20. Vowel Variations.

Choosing which way to write words with sounds such as *ee* and *oa* is important for spelling. This ability develops gradually. When reading try to point out words with these variations.

Page 22. Picture Sound Puzzles.

Removing, adding and changing sounds develops further the ability to hear the sounds in words. This is essential for good spelling. It is a good game to play on a car journey. For example: What is left if you take the 'p' away from 'pink' - answer: ink.

Other examples for adding or removing are:

s-ink, s-l-ink, w-ink, m-ice, t-r-ice, b-us, b-lock, f-lock, s-top, t-rain, s-nail, b-ran, s-l-it, s-t-rip, b-low, g-low, ten-t, s-tool, s-port, sh-ark, s-tar-t, her-d, s-p-in, sp-oil, c-rib, p-lay, s-mile, d-rip, s-kid, g-round, s-wing, sp-ring, f-lap, f-light.

Examples for changing sounds are:

fold/cold/told/bold/sold/hold, band/and/sand/hand, low/slow/glow/flow, bark/dark/spark/park.

The Jolly Phonics Workbooks teach the skills for reading and writing

All the letter sounds of English are introduced (not just the alphabet), with an 'action' for each. Exercises show how to use the letter sounds to read and to spell, along with ways of learning the 'tricky' spellings. The correct way to form each letter is shown and in later Workbooks joined-up (cursive) writing is introduced.
